MARS GAMING

MMS1

HUB USB

MMS1 is a mouse cable holder. Thanks to its design in tactical rubber, extremely stable and flexible, offers fully unrestricted movement of the mouse.

It´s also a high speed 2.0 USB HUB with 4 ports, giving the chance to connect up to 4 devices at the same time, with independent USB power-LED indicator.

MMS1 holder has an awesome red lighting effect that will turn MMS1 into the best complement for any gaming mouse.
